Art. 15542

### Pocket Pilot 3.0

JURA is setting new standards with Pocket Pilot 3.0 for the payment, billing and management of professional fully automatic coffee machines – without the need for any additional external devices. The free web application uses the telemetry data of the fully automatic coffee machines in real time, thereby offering an optimal user experience for operation and use. Thanks to different modes, Pocket Pilot is suitable for every business and area of application.

Pocket Pilot 3.0: compatible with X10c (EA) and X4c (EA), accessories required: Business Connect

Pocket Pilot 2.0: compatible with GIGA X8c/GIGA X8 (EB), GIGA X3c/GIGA X3 (EB), X10 (EA), X4 (EA), GIGA W10 (EA) and W8 (EA), accessories required: Payment Connect
